

WHO'S WHO IN THE WORLD 2013

30th Pearl Anniversary

For over 110 years, Marquis Who's Who® has been the gold standard for biographical information, trusted by academic and public libraries. This tradition of excellence continues with the release of the **2013 30th Pearl Anniversary edition of Who's Who in the World** which provides concise, accurate biographies of renowned individuals from around the world, representing virtually every major field of human endeavor. Within this publication, you will find Nobel Prize winners, innovators/inventors, authors, athletes, academic professionals, judges, fashion professionals, and entertainers. You will also find royalty, captains of industry, political and religious leaders and many others whose noteworthy and profound contributions are showcased in this volume.

This indispensable research tool includes professional and personal data unavailable in any other source, offering researchers a unique insight into the lives of the world's most notable personalities. There is simply no other source like it.
