

YASHWANTRAO CHAVAN COLLEGE OF SCIENCE, KARAD

Department of Botany

Authentication of Plant Specimens

The Department of Botany offers plant authentication services to botanists, undergraduate, postgraduate, research students and teachers of various academic and research institutes. For identification purpose students bring herbarium specimens along with the fresh or preserved material. The plant material received for identification is authenticated after detailed taxonomic study with the help of flora and relevant literature. So far more than 200 students and teachers have benefitted.

To,
 The Head of the Department,
 Department of Botany,
 Yashwantrao Chavan Institute of Science,
 Karad.

Subject: Identification and Authentication of given plant.

Dear Sir,

Miss.Jadhav Devyani Anandrao is student of GIPER, Limb, Satara, under project entitled "Evaluation of antimicrobial activity of Aegle marmalos root" in our laboratory. She is interested to identify the plant from your reputed institute.

You are requested to kindly identify and authenticate the given plant material and provide its Voucher specimen No.

Kindly do the needful.

With best regards.
