Memorandum of Understanding

Shri Shivaji Education Society, Karad, Board for Higher Education's

Vidyanagar Karad

Yashwantrao Chavan College of Science, Karad

Department of Physics

And

Borade Embedded Solutions

Kolhapur

This Memorandum of Understanding (MoU) set forth the term and understanding between the Department of Physics Yashwantrao Chavan College of Science, Karad Vidyanagar Karad Maharashtra (Affiliated to Shivaji University, Kolhapur) and Borade Embedded Solutions, Kolhapur for mutual cooperation.

Background

In as much between these two organizations, Department of Physics Yashwantrao Chavan College of Science, Karad Vidyanagar Karad and Borade Embedded Solutions, Kolhapur strive to advance Physics education and understanding and do so numerous similar activities. It is deemed that each organization's goals may be very effectively met through mutual cooperation.

Purpose

This MoU will establish a framework for the two organizations to work together on issues regarding the development and enhancement of Physics education and understanding for the purpose of furthering the fields of Physics education.

Term of Agreements

Both, Department of Department of Physics Yashwantrao Chavan College of Science, Karad Vidyanagar Karad and Borade Embedded Solutions, Kolhapur aim to support Physics education and provide professional development opportunities through their respective organizations and to the larger Physics education communities in their respective areas. To this end, the two organizations intend to cooperate in the following ways:

1. Promotion of Events

Each organization will promote the partner organization's major conferences and events via digital media (such as the organization's website, email, e-newsletter, or social media) or as print material such as conference-distributed flyers (where applicable).

2. Exchange of Resources

The two partner organizations will exchange at least one copy of each other's newsletter, journal, and/or other publication every year either through online publication or hard copy publication.

3. Provision of Conference Presentation

Each organization will provide a presentation timeslot in the major conference/event

for the representative of the partner organization to give an applied Physics concurrent-session presentation at that conference/event.

4. Waiver of Conference Fee

Each organization will waive the conference/event registration fee(s) for the representative of the partner organization who will be giving the presentation.

5. Additional Cooperation

The two organizations will further explore areas of mutual interest and cross-promote each other's organization whenever possible.

6. Contacts

Each organization will keep the other inform to the current contact person for their organization and of their contact details.

Funding

This MoU is not a commitment of fund by one partner organization to other for the other partner organization's activities.

Duration

This MoU is an at-will agreement and may be modify by mutual consent of authorized officials from Department of Physics Yashwantrao Chavan College of Science, Karad and Borade Embedded Solutions. This MoU shall effective upon signature by the official authorized from this two organizations and will remain effect until modified or until terminated through written notification by any one partners or by mutual consent.
